

YOUR EDEN WELCOME PACK

LOCAL TRAVEL INFORMATION

WHAT'S INSIDE?

This Welcome Pack is part of our on-going commitment to the promotion of sustainable travel. A Travel Plan is a set of measures that are designed to help promote sustainable transport with the main aim of reducing travel by single occupancy vehicles.

Travelling to and from work couldn't be easier, your local area is well served by good public transport links and is in close proximity to Salford and Manchester city centres, making walking and cycling journeys easy. Sustainable travel improves health, reduces stress, and creates cost and time savings.

This guide to local travel includes;

2

Your Local Area – public transport, cycling and walking routes around your local area and nearby amenities.

3

Walking and Cycling – local amenities within walking and cycling distance and hiring options available to you.

4

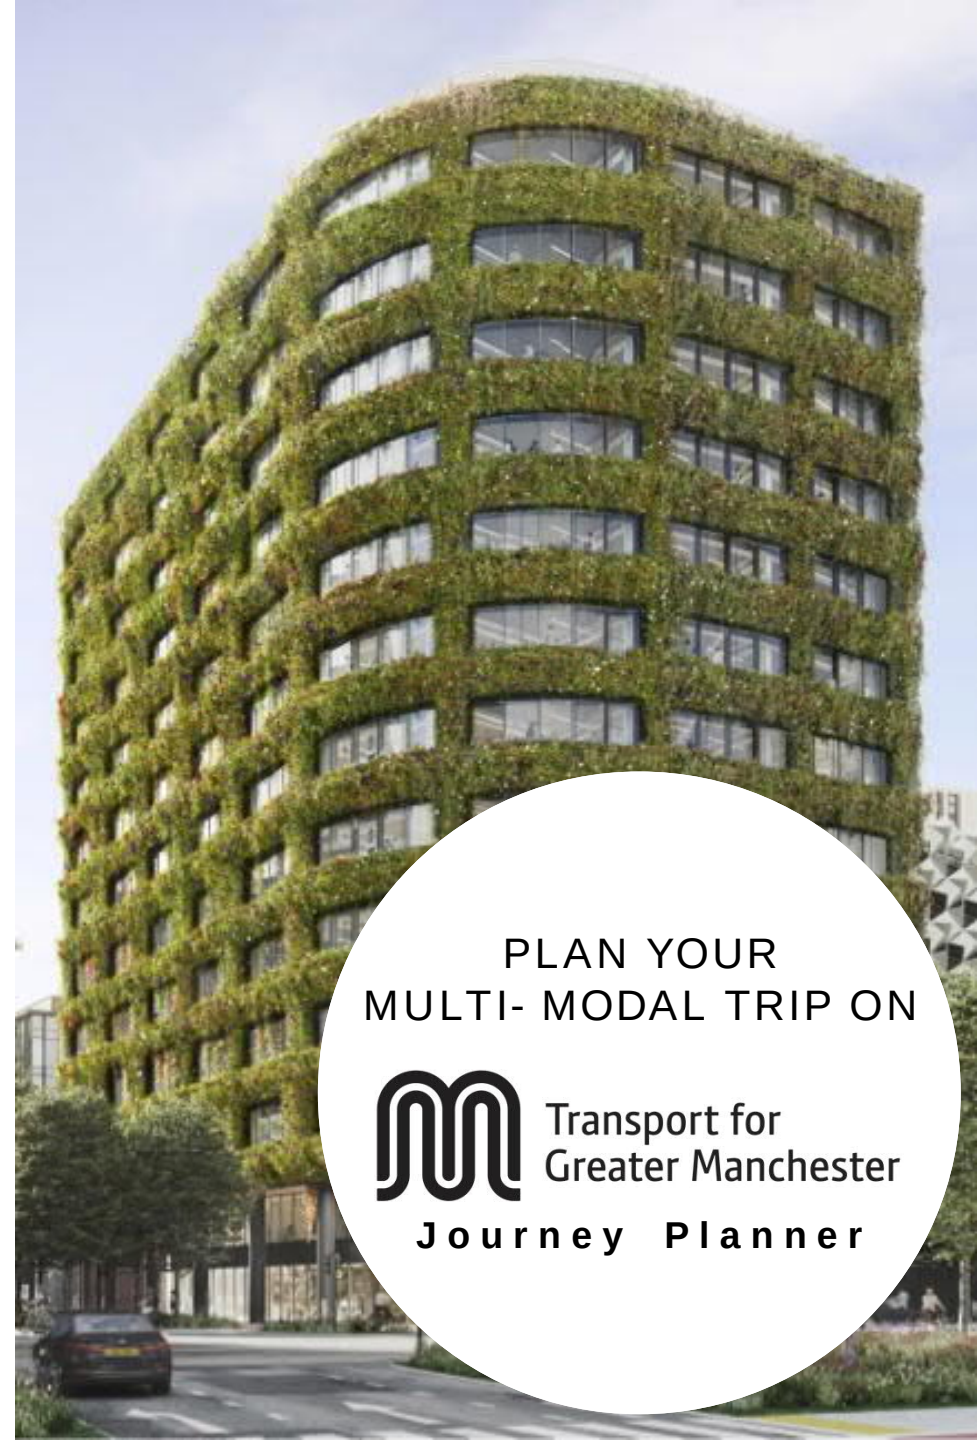

Public Transport – available routes, timetable and ticketing information for tram, buses and trains.

5

Car Sharing – car club options should help fulfil any needs not met by walking, cycling and public transport.

5

What's Next? –filling out our surveys over the coming years will help us adapt and continue our improvement.

Journey Planner

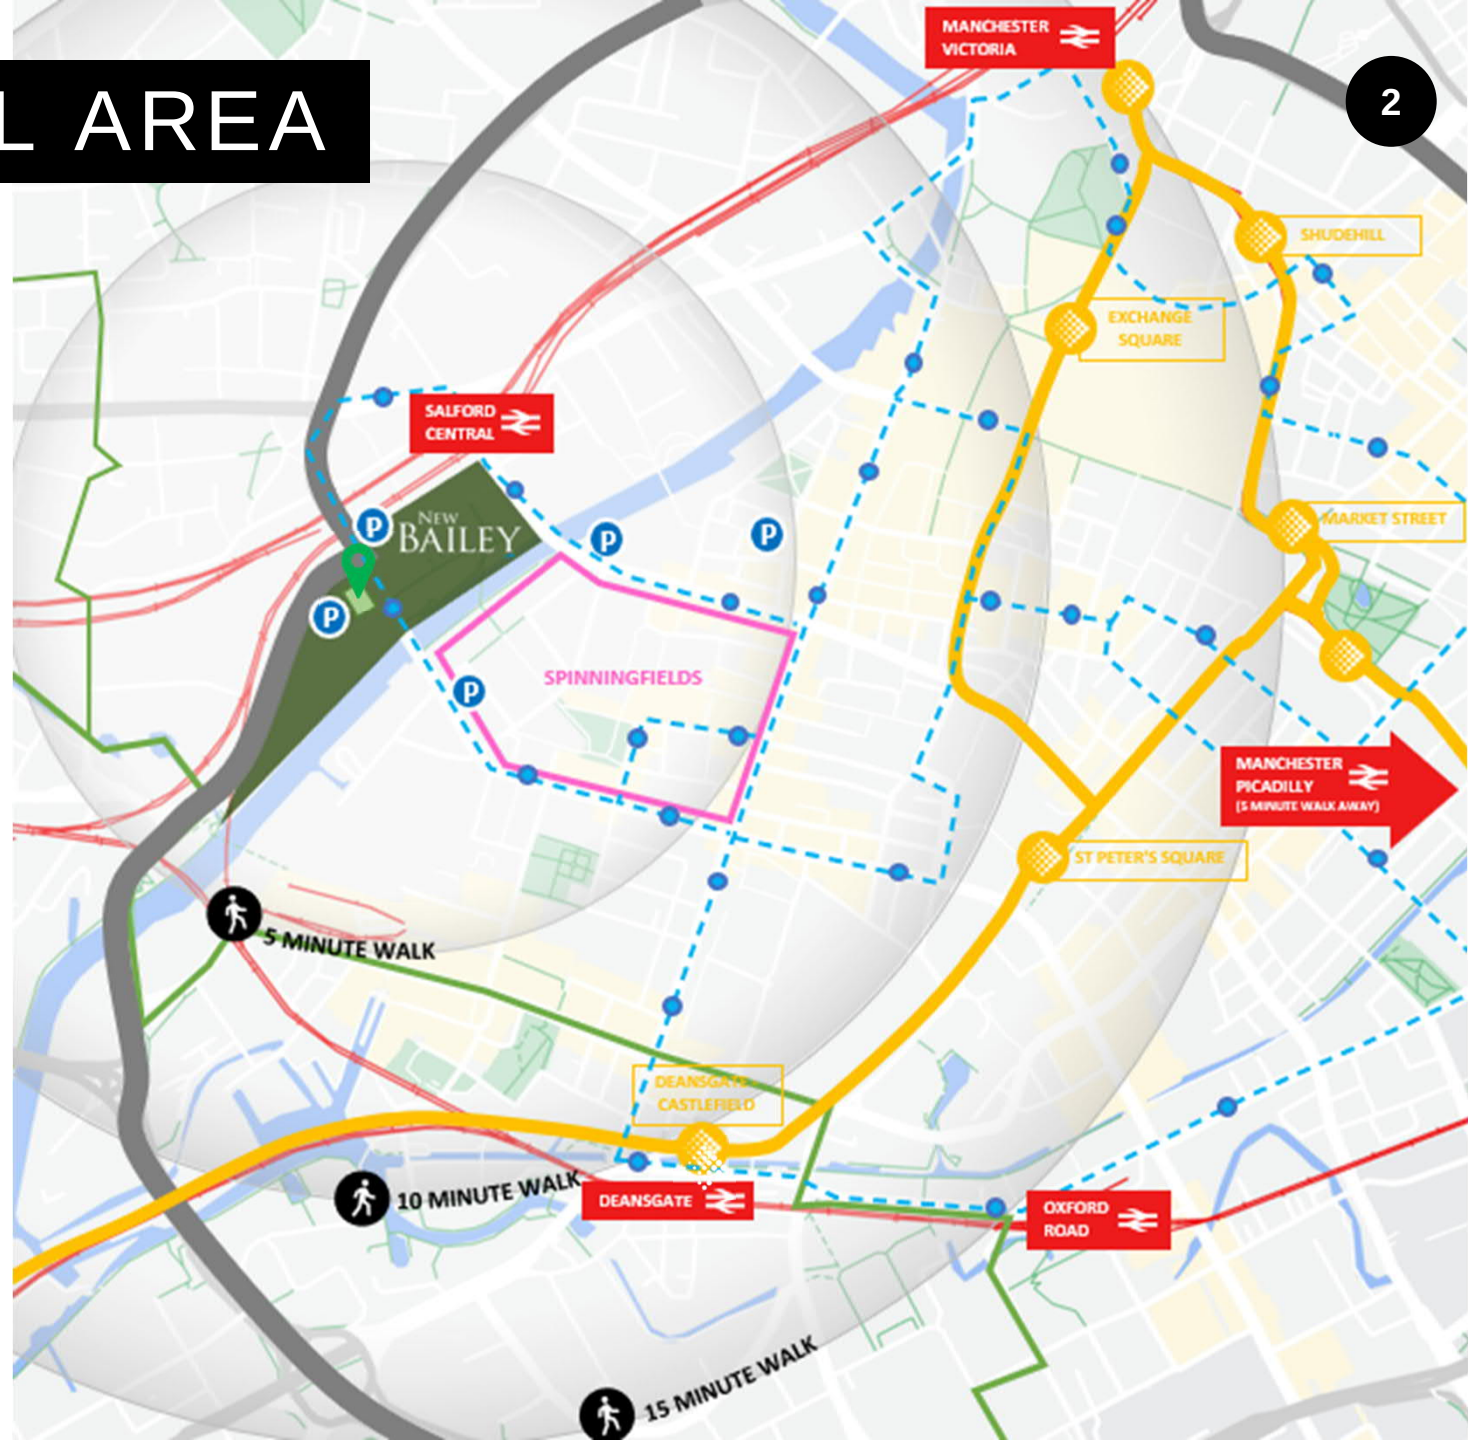

YOUR LOCAL AREA

Walkability of the local area is extremely high with Salford Central just a five-minute walk away and Manchester city centre within close proximity. Easy access to trains, Metrolink, buses, and cycle routes also make sustainable transport a valid option for commuting in and out of the office.

See the attached map for general walking times, cycle routes and public transport infrastructure nearby.

WALKING AND CYCLING

3

EDEN is well connected for both pedestrians and cyclists, with the development having direct access to both Salford and Manchester centres and public transport within a 5-minute walk.

Don't forget to engage with your employer to take advantage of the various government initiatives that offer the most cost-effective way to get new cycling equipment. The schemes are run through participating employers, meaning you do not have to pay tax or national insurance on these products, which could save you up to 48% and help you spread the cost of your purchase.

Bikes, e-bikes, scooters and cargo bikes are available from multiple stations across multiple platforms to hire and purchase;

- Manchester's Bee Network Bike Hire scheme has 300 e-bikes and 1500 bikes to hire across Salford and Manchester city centre via the Beryl App. The **Beryl app** shows you exactly where you can hire a bike from and how many are available at any given time. The bikes are available on a Pay as You Ride (PAYR) basis. Pedal bikes cost 50p to unlock and 5p per minute to ride. E-bikes cost £1 to unlock and 10p per minute to ride.
- E-scooters can be found and parked in specifically marked parking bays these can be located by downloading the **Lime App**. Each ride costs £1 to unlock and 15p per minute to use, discounts are available for job seekers, students and some employment sectors.
- E-cargo bikes are also available to hire via the Cargoroo app. Cargo bikes are great for when you need that little bit of extra space on board.
- Manchester Bikes has an extensive range of bikes to trial and purchase and it is just a 5-minute walk from your office near Salford Central Station.

PUBLIC TRANSPORT

There are many types of public transport across Greater Manchester all of which have a stop or station within a 15 minute. For general ticketing, route and timetable queries the TfGM website and journey planner has up to date and helpful information.

BUS AND TRAM SERVICES

Bridge Street Metrolink stop is just a 5 minute walk from your office, the Metrolink network has frequent services (every 6 to 12 minutes) so there's no need to worry about a timetable, just head to the nearest stop. You can now pay contactless on the tram network with contactless cards and devices.

Commercial bus services run right across Greater Manchester helping you get out and about. Your nearest bus stop is Bridge Street, Chapel Street or Salford Cathedral which are a 5 minute walk away. Services to and from these stops can be accessed on the [Transport for Greater Manchester website](https://www.tfgm.com).

Within the city centre, **free bus** (formerly Metroshuttle) provides a free 'hop on, hop off' service linking all of the main rail stations, shopping districts and business areas see the map on the right for available routes. This service is within a 5minute walk from your office.

RAIL SERVICES

Within a 5-minute walk is Salford Central. This rail station connects you to the neighbouring towns and districts of Greater Manchester including;

- Stalybridge
- Bolton
- Rainford
- Rochdale
- Rochdale
- Wigan
- Leeds
- Blackburn
- Southport

Within a 20-minute walk of your office are Manchester's two largest Railway Stations with routes to most major cities including, Liverpool, Preston, Leeds, Birmingham, London, Edinburgh and Cardiff. Both stations are also part of the Metrolink network and are well connected to the rest of the city.

TICKETING

System One is a ticketing system which enables one straightforward method to travel across a variety of modes on a single ticket for example, a journey that spans a combination of bus, train and tram. System One travelcards can be bought; on the bus, at train stations, at tram stops, TfGM Travelshops and Pay Points.

CAR SHARING

Great walking, cycling and public transport links within close proximity should enable you to move to and from work as sustainably as possible however, should you need to use a car hiring through a car sharing club and sharing journeys is a great option.

Co Wheels is a pay-as-go car and van rental service based in and around Salford, with hybrid vehicles available to hire. Once a car club member most cars cost approximately £0.20p to hire per mile and can be booked in advance online. This cost includes; insurance, cleaning, servicing and re-fuelling.

JOURNEY PLANNING

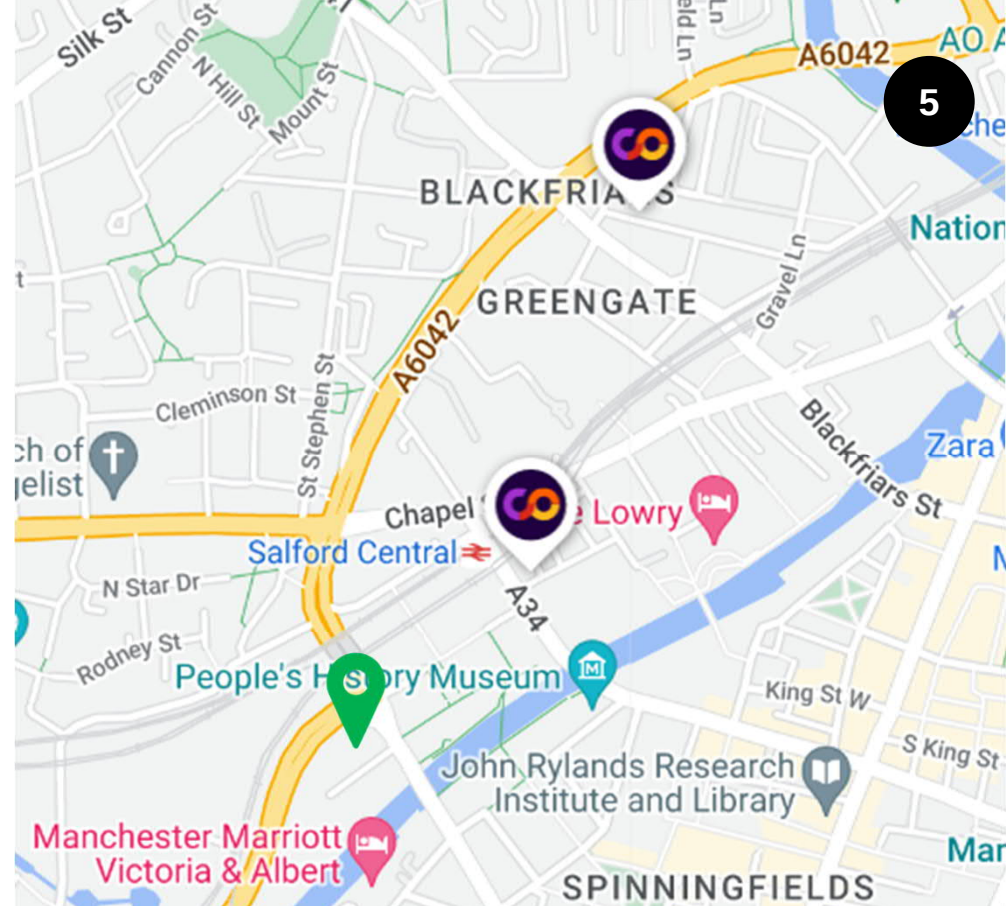

The transport for Greater Manchester website has all the information you will require for travel in the area. The website's journey planner is of great help as you can plan a journey from A to B with your transport mode preferences and time, cost, convince also taken into account.

WHAT'S NEXT?

A series of sustainable travel options will be available to you as part of the Travel Plan from summer 2023. These could include free bicycle maintenance sessions and discounted transport tickets (e.g. free 20-minutes Lime e-scooter ride)

To find out how we are doing, we will undertake annual surveys on local travel habits. Please **do keep an eye out for these surveys** as they help us to monitor how effective our travel plan is as well as identifying anything else we can do to improve travel options.

EDEN's Travel Plan is available both on and offline please contact your Travel Plan Co-Ordinator for more details or any questions you may have.
